Arched Casing

Curved wood molding and (CNC) computerized routing is a highly specialized field requiring a devoted commitment to facilities, equipment, personnel, and training, but SWW has succeeded in this niche market because of dedication to delivering the highest quality product, on time, and providing unsurpassed service after the sale. If your current or next project requires single piece curved casing, curved crowned molding, curved base molding, curved landing treads, curved chair rails, curved bar rails, curved extension jambs, curved window sills, curved door stops, curved shoe molding, curved backbands, or ovals, Specialty Wood Works can supply them. Whatever your volume of curved wood molding pieces-small, medium or large – SWW of Peoria will deliver the highest quality product that leading edge technology and superb craftsmanship can provide and do it all within a timely fashion. If you need more assistance we are able to answer your questions at 1-800-681-8078.
